* For a list of Photoshop tutorials that teach its capabilities, check out the ` website. * Many Photoshop training videos are available in the **Help** menu. * For even more information, check out the Photoshop Help screen for screen instructions. * The Image Galleries link on the **Help** page points to helpful, detailed subject pages. Photoshop does not do image editing. It is a digital drawing tool. It can be used in the same manner as drawing with a pencil. You can manipulate layers to build an image, but it doesn't do more. It is limited to what it can do with layers, and that is make flat images. So, it is a good image-editing tool, but it isn't a true image-manipulation tool. * Be sure to avoid using any of Photoshop's filters (such as the **Photo Filter** effect or the **Desaturate** filter) on images that you have not created with layers. It doesn't preserve the edge information that was in the original image. # CHAPTER 7 # Elements

WORKSCAPE What makes Photoshop Elements the best image-editing program is its capability to process several different image types. Originally intended to be a basic image-editing program for photo processing, it has evolved to handle graphic design, complex photo editing, and a broad range of other images. This versatility enables you to use Elements to produce a wide range of projects from simple graphics to complex photo manipulations. As with other programs in this book, the following chapters discuss the features of Elements and show how to use them to accomplish common image-

processing tasks. You can find these helpful tips throughout the book to ensure that you get the most from this versatile program. But I've also provided a few more tips that cover some extra features as well.

What's New in the Photoshop 2021 (Version 22.5)?

Vernon Horton-Searle and Harold Searle Vernon Horton-Searle (1866–1946) and Harold Searle (1866–1950) were a father and son pair who were members of the Mormon Battalion and took part in the Second Californian Infantry Regiment of the U.S. Army. Nathaniel Searle, on settling the Salt Lake Valley, was given three locations north of Salt Lake City, called Searle's Ranch, Indian Creek and Searles Castle. Vernon Horton-Searle was born in England in 1866 and in 1892 Vernon and his wife, Minnie, emigrated to the United States. Vernon settled in Salt Lake City, where he established a successful practice and served as local town marshal. He had two children, Harold and Alice. The family included his wife's brother, Richard. Harold (Harold Searle) was born in the Salt Lake Valley in 1866. In 1882, he enlisted in the Mormon Battalion. He fought in the Battle of San Juan and the Siege of Santiago. In 1898 he returned to America and, by 1900, he had returned to Salt Lake City. In 1902, Harold began helping his father in the practice. In 1906, Harold married Minnie (born Mitchell) Parker. In 1910, Harold and his family moved to Topaz. Vernon Horton-Searle died in 1946 at the age of 80 and Harold in 1950 at the age of 84. Their children were respectively Ellen, G. Vernon, Harold, Inez (Niles), Joseph, Bessie, Maxine, Avis, Clarice, Richard, Margaret, Minnie, Edwin, Georgia, Earl and Marjorie. References
