The game engine's AI also continues to evolve, with the next generation of its AI Suite giving each player a unique personality by adjusting his aggression, ball control and anticipation. FIFA 20 is available to play now on Xbox One, PlayStation 4 and PC. This year's cover star for the EA SPORTS FIFA franchise is Germany's Mario Götze. The FIFA World Cup winner is at the top of his game, and will lead the new Germany FIFA team as you take him on in the new game. Here's a few highlights: KICK OFF FIFA 20 is the story of a journey, and you'll have the opportunity to make your own. Every player can choose where they want to go, to a new club or even to another country. Whether you're starting from scratch, or have already played at the elite level, you'll have the freedom to create your own legacy. FIFA 20 brings the Speed of Futbol to life like never before. It lets you take your favorite players, their skills, and their legendary moves into an extremely realistic world of 3D-powered game play. - 3D FOOTBALL: Put on the boots and cover yourself in bruises, as this is no longer a 2D game. The new 3D game engine means you'll see the ball pass you, touch the ground, and even wake up covered in mud. - HIGHER ANIMATION: Run, tackle, kick and all other moves will look and feel more realistic. Each player's body will react naturally to the position they're in, with a fuller, more detailed animation range. - COACHES: Enjoy the new coach assists; now you can call plays and choreograph your way to victory. - ALL KINDS OF PLAYERS: Choose from 72 unique player types to play in FIFA 20. Play as the most professional athletes, the fastest players, and even the most legendary teams. - MOBILE INTEGRATION: Enjoy new features and functions as you enjoy FIFA with your mobile device. - SEAMLESS GAMEPLAY: Transfer, create, play, watch and save in the same seamless experience. - PLAYER OPTIMISED: With over 100 million licensed players, discover your ideal player's attributes in the new Transfer Panel. Also, use the
