Fifa 22 Features Key:

- **Dynamic 3D Player Modeling** - Now you can model the perfect player through the player progression system in Ultimate Team. Create the midfielder of your dreams, a dribbling striker, a speedy winger, a robust defender, a forward you are impossible to take off the ball, or unlock the DNA of your favourite footballer with game-changing abilities, with a wealth of new moves, tools and customization options.
- **Dynamic 3D ActionFx Engine** - Using the Dynamic 3D ActionFx Engine, the engine delivers maximum player animations in a fast and fluid manner - so long as you have the motion capture data. Dynamic 3D Face Motion and dynamic body type - with cheek filling and shoulder sliders - combine and conflict for a player with instinctive and believable reactions, with the looks reflecting the actions of the player during gameplay.
- **New Dynamic Tactics Platform** - Responsive AI intelligence and fast paced action now rules the game with a new Dynamic Tactics Engine. Every time you win a match with your tactics, your player recruitment options are now further enhanced with the unique dynamic experience of your tactics. Your tactics and team compositions are now updated, as a direct reflection of your performance to maximize your tactics for the next match.
- **ESPN broadcast broadcasts** - View broadcasts from all the big outlets in US and UK and the best in-game live commentary. Also watch your matches in HD, as the voice of over 20 commentators can be heard blasting out of your TV. It's clear, it's authentic, it's FIFA.
- **Better Keeper Skills** - Ready for your big moves? Now you can see the keeper from above for a fraction of a second before making your big save. This extra field of view makes it easier to catch the ball at the right moment in time and make the reflex save.
- **Improved Goalkeeper AI** - Intelligent goalkeeper AI dramatically improves the experience on PlayStation 4. Armed with better vision tracking, the players' movements and reactions are refined to improve gameplay. The new goalkeeper AI system enables play while the keeper is in possession by making smart challenges or trapping the ball
- **Untouchable Defend** - The new Defender AI in FIFA 22 will bring

FIFA Ultimate Team returns in FIFA 22 with new methods of obtaining your favorite players, build combinations that complement your style of play, discover hidden talent, and take part in the global community of the FIFA fantasy game. Story Mode - FIFA's popular story mode has been updated for FIFA 22. Enjoy epic rivalries and a fast-paced career as both a manager and a player in FIFA 22's story mode. Gameplay Features - FIFA 22 features a brand new Player Experience system that will give a deeper level of player intelligence through better gameplay and player awareness. Possessing the highest level of player intelligence in the series, FIFA 22 will allow players to solve challenging situations during gameplay and truly make the characters in FIFA come alive. New PLAYER AWARENESS includes watching opponents

closely, studying your surroundings, and looking for opportunities to strike. Through these new systems, in addition to player awareness, players will make smarter decisions that make for a more authentic, smart FIFA gameplay experience. Beard Recognition - In all FIFA games before, players' beards were hidden behind the neck, so that they could be shown in the game. Now you can see your beard from the front, for a more realistic effect. Three-Point Play - In FIFA 22, your teammates will do the defending for you. When you defend a shot, you will leave your teammates to run the play and intercept the pass. Leaderboard Tracking - You have a new Leaderboard, and your ranking will be monitored and updated on a weekly basis, making your competition for the FIFA World Player of the Year and the FIFA World Club Championship even fiercer. Live FUT - An enhanced Live FUT gives you the opportunity to draft in FIFA Ultimate Team for the first time, and live your creation in real time. Blind Transfer Match - Transfer games involving an Xabi Alonso can now offer you a new experience in FIFA 22. In addition to customization, players can become the GM of the EA SPORTS FIFA World Cup 2014 in Blind Transfer Match mode. FIFA and the FIFA logo are trademarks or registered trademarks of EA Sports.
