We opted to buy 4 of the 5 fixtures in each "sub-box" so they would be compatible. I bought all the lights out of the fixture. I think they are pretty good quality and value wise they are worth the extra money." 5/5 2. by ron Rating: 5out of5 Granite Needles Wall Light Friday 17 October 2011 "This is a great fixture. The clear plastic diffuser is removable and will work with almost any type of downlight and just about any form of downlight. Its only drawback is that the diffuser is not the best at spreading light, it is great in a sub wall and it goes both ways in a down light. The fixture itself is quality made and seems to have a very long life. The color is a good dark grey with a warm spot at each end. A good product from Granite Needles at a great price." 5/5 3. by joe Rating: 5out of5 conway Tuesday 26 March 2011 "This light is great, the color is very good, the finish is excellent, and the drop is exactly as advertised. I have this on my shelf. It would have been easy to overlook this if the finish wasn't so good." 5/5 4. by daron Rating: 5out of5 northshore Wednesday 10 June 2010 "I wanted to add more light to a somewhat smaller bathroom. I didn't want a fixture that is overkill and I can't move...this one is just right. Would recommend to anyone." 5/5 5. by
