Stop clones from infesting the surface of the Earth! As the last clone, Vangardt, you must take on thousands of towers spread out across the land of Powernaut. Assign your attack slots, grab your lemons, and use them to bring down the towers before they can move from their home or fill up with new clones. IMPORTANT THIS IS NOT AN EXTRADE SO DON'T PAY TO SELL IT
KEY:9mm/6mm/Steelback HANDLE:Mecano WHATS INCLUDED 1 x Pistol 1 x Steelback 1 x Neck 2 YOUR ACCOUNT Powernaut2 Tags: Powernaut 2 Category: Action Description: Thousands of years after the events of Powernaut Vangardt, millions of cloning towers have been built over the surface of a strange planet. A single successful clone, VAN, awakens at the top of a tower. Scared and confused, Van begins slaughtering the monsters that have infested his tower. Reaching the bottom, a security failsafe goes off, with giant mechanism tearing the tower down as Van flees upward. Upon reaching the the top again, a teleporter sends him to the top of a different tower. As he watches it crumble to dust, Van turns to the vast field of towers. He smiles. He has found a purpose.
