Its functionality to meet the current campus, Internet cafes, businesses, hotels, securities, services, and much more. Isharedisk 1.7 Enterprise (32/64 bit) is a high-quality software system. This software is much easier than other solutions to create a bootable Windows installer from a VHD file. It allows you to create a bootable Windows installer directly from your ISO image, VHD or VHD raw disk, or from a memory disk. This allows you to keep your ISO, VHD or raw disk in safe and keep your recovery image safe, if needed. The system requires almost no system preparation as it is installed by default in the System Tray and starts on power on. The production is based on SUSE Linux Enterprise Server which is used to upgrade a Windows VHD file and convert it into a bootable VHD. The system works with ISO, VHD and Raw disk files. With iShareDisk Enterprise you can boot by network, USB or CD/DVD. The installation can be started from the Windows desktop. The system is much easier to use than other solutions as it does not require to know complex technology. The offered software is one of the most popular ones, it is used by thousands of customers globally. The new features are what makes it stand apart from other similar products. "It doesn't matter how loud you speak if the people around you can't hear." That's how one of the guides at the Polish Language Centre in Amsterdam described his teaching style. According to the National Agency for Education, one in five Polish students in the Netherlands currently has hearing problems. Sometimes it's not only a matter of not being able to hear, sometimes it's a matter of not being able to understand. Every day a deafalicious Facebook group with the motto 'Say it loud, Polish style' gathers and sparks deaf conversations. What started as a small group of friends on Facebook with over 1.500 followers now has a Facebook group with over 4.300 followers. "When I first posted it, people were kind of wondering what it's about. But now I see that people like it," said Alexandra Socha, one of the founders. "I mean, if you're deaf and you're Polish, you have to really make sure you say your words loudly so people can hear what you're saying. That's why there are over 20 group members who post in the group every single day. "We'd have long discussions about big topics like politics and what country we live in. That's always a good topic to bring up in this group because it's something we can comment on in a public way," she says.CONFIG_ARM=y CONFIG 6d1f23a050
